Forecast for Sunday 18 Jul 2021

Weather: Remaining dry with some sunshine in the morning. Becoming cloudier over the Aberdeenshire Hills in the morning and then the cloud pushing south in the afternoon, with some patchy light rain.

Chance of cloud free mountain/hill tops above 800m: 80% falling 40%, lower in the north

Visibility: Mostly very good with most summits clear of cloud at first, however cloud down to 500 metres may develop across the Angus and Aberdeenshire hills later in the afternoon and in the evening. Low confidence in this aspect.
